

# Empowerment Jigsaw Activity

For this activity, you will be placed into five groups. Each person in your group will become an expert on one of the five different types of empowerment. After reading/researching and discussing the type of empowerment with the same expert from the other home groups, you will then share your expertise with the other members of your home group. By the end of this activity, each member should have something about each type of empowerment written, drawn down below.

Economic p.10

Political p.11

Cultural p.11

Societal p.12

National p.12

Outcome 1.2- The students will identify and categorize sources of power and authority.
