

# Needs and Wants Assignment

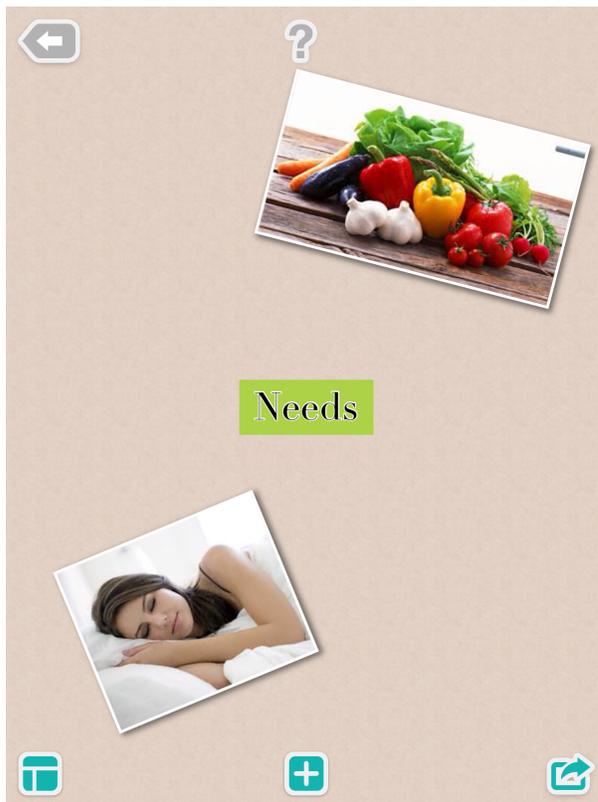

Social Studies 7

7.2.1.1- The student will identify major commodities that have been valued over time.

## PART 1: Needs

**Needs** are things that you need in order to survive.

Create a Pic Collage document, with the title Needs in the middle of the page. Surrounding the title you will represent your daily needs—what you need to stay alive (cell phones don't count!). Your ideas should represent your physical, social, safety, and emotional needs.

The example shows 2 of Ms. McKean's needs: nutritious food and sleep. What will you add to your Needs Pic Collage?

## PART 2: Wants

**Wants** are things that people want in order to make their lives more comfortable.

Create a Pic Collage document, with the title **Wants** in the middle of the page. Surrounding the title you will represent your wants—what you want in your daily life (cell phones count here!). Your ideas should represent your physical, social, safety, and emotional wants.

This example shows 2 of Ms. McKean's wants: a new car and an iPad. What will you put on your Wants pic Collage?

## PART 3: SUBMITTING YOUR ASSIGNMENT

You may submit your assignment by submitting both of your Pic Collages to Ms. McKean via Showbie (Social Studies—Needs and Wants PicCollage)
